NFPA TRUSTED FIRE EQUIPMENT DISTRIBUTOR

Capability Statement

swetwise.net

Quality over cost — because lives depend on it.

## Who we are

Swetwise (Proprietary) Limited is a Botswana-based, NFPA-trusted distributor of certified fire equipment, emergency wear and military, police and para-military uniforms. We supply councils, parastatals, forces and industrial emergency teams with dependable, standards-aligned equipment — and brand it in-house. Our long-standing position as a supplier of choice to fire and rescue services is built on quality and compliance, not on cutting corners.

## Core supply ranges

### Structural Fire PPE

Bunker suits, helmets, gloves, balaclavas, boots — NFPA-aligned.

### Fire Equipment & Tools

Hoses, axes, signage, tender appliances, extrication tools.

### Emergency Medical & Hi-Vis

Paramedic wear, reflective jackets, vests, hi-vis t-shirts (EN ISO 20471).

### Ceremonial & Uniform

Parade dress and service uniform tailored by rank and unit.

### Breathing & Detection

SCBA sets, breathing masks, thermal imaging cameras.

### Rescue & Extrication

Hydraulic cutters, spreaders, combi-tools, rams, lifting bags, struts.

### Tactical & Combat

Combat suits, jackets, caps, belts, boots for forces and responders.

### Footwear

SABS-approved firefighter, combat and field boots.

## Standards & compliance

NFPA approved fire equipment · SABS approved footwear · ISO certified items (where applicable). Certification is confirmed per category on every quotation; we match approved products to your specification and offer brand-or-equivalent sourcing.

## Value-added services

- **Embroidery & branding** — council crests, unit badges, ranks and reflective lettering applied in-house.
- **RFQ portal** — request structured quotations 24/7 at swetwise.net; catalogue or custom items with full specifications.
- **Sizing support** — SABS-aligned size charts for accurate bulk size runs.
- **Tender-ready supply** — quality-approved equipment you can defend in an audit.
